

This document is published periodically as a service to our customers. Supported environments are always changing, so if do not see your environment listed, please go to http://www.vni.com/forms/scp_request.html or contact your account manager. If you are interested in older product environments (prior to IMSL Fortran Numerical Library 5.0 or IMSL C Numerical Library 5.5), please contact your account manager or email info@vni.com.

IMSL Product	Hardware Processor/ Family	Operating System	Compiler	Bits	Part Number
